Dear Leo:

Sorry to reach out to you however I have reported this Green Wooden Dresser/Chest on the 311 app and the sanitation truck cannot seem to located it. I have attached two photos for reference. Here are the particulars:

Service Request #'s 1-485409641, 1-497537591

Location: on Hudson, south of Santa Monica and north of Romaine

Zip Code: 90038

Location: Public Right of Way - located on the west side of the street. It was originally standing up and now its on its side

Length out on street - At least ONE MONTH

Please help me to have this piece of furniture removed this week. I would not have contacted you however the "guys" cannot seem to find it. So strange

Thank you
